

PROJECT MANAGEMENT . CONSTRUCTION SERVICES

A Group of SAS Buildtech

PROFILE

ASCS Buildtech Pvt. Ltd., led by qualified and experienced Engineers, is engaged in construction activity with a difference. We have a very much clear cut substantive vision to create a space of our own in the field of Construction. We hereby present before you our ideas and practice in the past for your kind perusal.

Our work has demonstrated that the only limits to human achievement are those that we place on ourselves.

The success of the Group's performance is based on an efficient organization and a dynamic and entrepreneurial management.

The Quality Policy

Our Policy is to satisfy our valued clients by achieving excellence in all fields of construction & development undertaken by ASCS Buildtech Pvt. Ltd. We conform to agreed quality and timely delivery requirements of the clients in order to fulfill their needs and expectations through continual improvement of the system.

The Core Competence

Value maximization is ASCS Buildtech Pvt. Ltd.'s core competency. We employ several cost-saving strategies throughout the projects working side-by-side with all key stakeholders to reduce costs without sacrificing the goals or the quality of the final product.

The Core Values: 4 Ps

ASCS Buildtech Pvt. Ltd. believes in principles of 4 Ps which sum up our core values namely, Pace, Progress, People and Professionalism thereby investing in its PEOPLE to move ahead with PACE towards Progress in a truly PROFESSIONAL way.

The Benchmark

ASCS Buildtech Pvt. Ltd. has adopted the best practice of benchmarking its operational standards, productivity and efficiency as per international norms. It has measured up to the highest degree of competence in the construction industry, both in terms of technology and manpower.

The Client-centric Orientation

It has been alive to market opportunities and has positioned itself where they are the highest, fully aware of its clients' preferences, needs and budgets. No wonder, the company has a satisfied list of clients.

The Financial Soundness

ASCS Buildtech Pvt. Ltd. has a sound financial standing. It is therefore totally devoid of the uncertainties of finances that usually affect projects, slacken their progress or impede their finesse or quality.

The Embracing of Excellence

ASCS Buildtech Pvt. Ltd. has put together a strong team of experts from different fields as Advisors & Consulting Associates that have brought complementary skills, expertise and experience to the group. Everybody is a specialist who has carved a niche in his respective field but operates on a common value system.

Compliances

As a Law abiding entity, ASCS Buildtech Pvt. Ltd. believes in following every law of the land. That's why it has all requisite Licenses and Registrations - Income Tax, Goods & Service Tax, etc. from the Central & State Governments.
